

Sponsorship Opportunities

Greater Benefits

Following are the sponsorship packages for CARILEC'S main conferences. The packages are designed to give your company exposure before, during and after the selected conference.

This year we are pleased to bring you additional benefits aimed at maximizing the opportunities presented and giving you greater value for money.

We are confident that you will find the right package to suit your needs and we look forward to partnering with you.

Rules and Regulations

Companies must express interest no less than three (3) months in advance of the conference date.

Interest must be formally expressed in writing, stating the name of the conference and the level of sponsorship.

Sponsorship fees must be paid in full thirty (30) days preceding conference date. In the event of a cancellation, CARILEC will transfer any advertising cost incurred on behalf of the company canceling.

Companies must submit a list of promotional items which will be distributed during the conference.

Companies must submit the name of the person designated to receive the registration bonus. This registration will not be considered in the calculation of a discounted rate (in the case of multiple registrants).

Companies must submit the name and contact details for the person (s) responsible for providing copies of logos, promotional text and (where applicable) promotional gift items.
