About Us

Established in 1989, the Caribbean Electric Utility Services Corporation (CARILEC) is the Premier Association of Caribbean Electric Energy Solutions Providers, facilitating the development of world-class sustainable electric energy solutions within the region. CARILEC strives to enhance the effectiveness of its members by providing industry related services, creating regular networking, training, and knowledge sharing opportunities, supporting mutual assistance programs, and accelerating the region's energy sector transition to renewable energy sources, through innovation and advocacy.

CARILEC's events present the ideal marketing and advertising platform to facilitate increased awareness and visibility of your organisation's products, services, and industry expertise. Such exposure provides a solid foundation for your organisation's growth and development in the Caribbean, South and Central Americas electric energy markets. If your company is desirous of creative, innovative, and interactive ways to

reach new, loyal, and active customers and other relevant stakeholders, CARILEC invites you to partner with us. The lucrative cross-marketing benefits offered by your partnership with CARILEC, will enable your organisation to reach targeted customers more efficiently, credibly, and memorably. Your organisation will be fully supported by an Association with over thirty (30) years' experience in building and maintaining mutually beneficial partnerships, agreements, and alliances in the Caribbean electric energy sector.

Our sponsorship package is designed to strategically position your brand in the Caribbean region, to derive maximum financial returns, establish solid networking opportunities, forge valuable business partnerships, and leverage lead generation. We offer a host of sponsorship benefits that can be tailored to your marketing and overall organisational goals and specific budget. CARILEC is committed to supporting your organisation's emergence or continued advancement in the region's energy sector; your path to attaining Caribbean visibility starts here!
