

**Request for Proposals
For
Testing Well Viability
at
Hunt Bay, Kingston**

Addendum # 1

RFP No. 878036

Please be reminded that all bidders are required to email the RFP Points of Contact to confirm your intention to bid on this RFP. After which, JPS Sharefile FTP site access will be given.

Kindly be guided by Section 8.2 of the RFP – Calendar of Activities.

Question:

Please indicate if there is a pump and motor inside the above well.

Answer:

There is a submersible pump within well. The motor is above ground.
