ELECTRICITY CORPORATION

VACANCY

Applications are invited from suitably qualified Candidates to fill the position of **SENIOR MECHANIC** – Generation Department.

1. EXPERIENCE AND MINIMUM QUALIFICATIONS:

The successful applicant should:

- Possess the minimum of a High School Diploma.
- Possess CARILEC Diesel Mechanic Level 1, 2 and 3 Certificate.
- Possess a Wartsila Mechanical Training Certificate
- Have at least five (5) years working experience in a similar capacity in power generation with some electrical utility background.

2. SALARY:

Salary will be determined commensurate with qualification and experience.

3. DUTIES:

1. Perform all mechanical work at the power station, including the seawater pump house, reverse osmosis system, oily water treatment system, the fire auxiliaries and fuel and lube oil purification system.
2. Perform preventative and corrective maintenance and services on engines and auxiliary equipment.
3. Maintain, troubleshoot and ensure the safe and continuous operation of all engines and their respective air intake systems, fuel systems, oil systems, compressed air systems, cooling water systems, exhaust gas systems and electrical systems.
4. Perform scheduled overhauls on engines and auxiliary equipment and provide reports on data gathered during the overhaul.
5. Inspect work areas and equipment on a daily basis to ensure safety standards are met.
6. Assist with the completion of all tasks on the daily work permit, the defect report card and the work order forms.
7. Assist with maintaining the mechanic workshop area, ensuring that all tools are returned to the designated location in a clean and orderly fashion.
8. Check separator oil, governor oil, compressor oil and fuel system daily.
9. Being available/on call to work outside normal working hours.

How to Apply

Candidates meeting the above criteria should submit a BVI Electricity Corporation application form, cover letter, resume, one business reference and one personal contact reference to humanresources@bvelectricity.com or the below address:

**The General Manager
BVI Electricity Corporation
P. O. Box 268
Road Town, Tortola
British Virgin Islands**

Disclaimer

This description of the position is meant to outline the general nature and level of work required. The responsibilities, duties and skills listed for the position are non-exhaustive and the successful candidate will be required to follow any other job-related instructions and to perform other job-related duties as requested.

CLOSING DATE: November 7, 2022
